Recently, ILT has had issues establishing accurate handicaps for players who have posted very few rounds in the months prior to our tournaments. The USGA requires at least five rounds be posted to establish a handicap. Beginning with this tournament, players must play and post **at least five rounds** within the 12 months preceding the scheduled tournament. For Sunriver, you must post at least five rounds between September 2017 and August 15<sup>th</sup>, 2018.

***Non-Golfers Are Always Welcome!***
