ILT's Golf Tournament consists of separate Men's and Women's Tournaments run simultaneously on the same days with a shotgun scramble format. Teams are selected based on the players USGA golf handicap index number (GHIN). All player's handicaps are ranked from lowest to highest. The lowest 25% of the players will be A players, the next 25% B players, the next 25% C players, and the remainder D players. The teams change each day with the B, C and D players moving up or down one to five places so that no one plays with the same player more than one time. The pairings are done on a spreadsheet that automatically determines the different pairings for each day.
